Hi Jim
We don't have such a map, and I don't know there is such a map.

Hello,
Is there any map to direct drivers for parking on city streets that is marked for parking restrictions in the Hollywood area?
I could not find one on the bss.lacity.org site.
As you know, there is a myriad of different restrictions for each street for street

sweeping, 2 hr. parking at different times, over-height vehicle restrictions, etc.
It would be of great help to our businesses in the Hollywood area to know how to
direct our customers without telling them to just drive around.

Please let us know.

Thanks!

Ron
